## Government Affairs Package

\$5,000

iBIO's Government Affairs Committee connects the life sciences government affairs community through monthly meetings, communications and regular programming. The committee helps guide and support our policy decisions. This sponsorship is only available to out-of-state companies.

The annual fee supports our grassroots advocacy, communications and public affairs efforts in Chicago, Springfield and Washington D.C.

### Benefits:

- iBIO Government Affairs Monthly Committee Calls
- iBIO Government Affairs Newsletters and Legislative Updates
- iBIO Government Affairs Programming and Meetings
- Does not include listing or full benefits of an iBIO Member or an iBIO Board Seat
- Does not include Sponsorship of the Annual John W. Maitland Leadership Awards

## Roundtable Dinner

\$5,000

An invite only, free, networking event for iBIO members. It is a forum for the community to exchange ideas, compare business strategies and share best practices. We select participants with diverse areas of expertise to encourage commingling of experiences.

## iBIO Daily News Brief

\$1,500

Promote your product, services, company milestone, upcoming events, or anything else you want to highlight with an advertisement in the iBIO Daily NewsBrief Newsletter. Our daily newsletter is sent to a list of over 2,000 local professional in the Life Sciences industry. The iBIO NewsBrief will help you promote your company, connect with the community, and engage with potential new partners.

Sponsorship includes up to 3 advertorials per 6 months. The advertorials will be posted to <http://ibiobq.org> and will be featured in the top 5 stories of the newsletter twice a week and a static banner on the online newsletter site (banners are not on the email version of the newsletter but the advertorials will be). Banner ad specs: 728 x 90 pixels, File size limit is 800 kb. Banner ads are on a first come basis.

## CHARITABLE PROGRAMS (501c3)

iBIO's Charitable Programs encompasses the public charity (501c3) activities of the organization. The programs are focused on coordinating industry engagement in STEM programs for girls grades 3-8.

### StellarGirls

In 2011 EDUCATE launched the Stellar Girls program with funding from Astellas USA Foundation. Stellar Girls introduces girls to "Big Ideas" in STEM fields. Through weekly hands-on activities, students explore how science, technology, engineering, and mathematics are used to feed, fuel, heal and save the world. The program seeks to diversify the STEM pipeline by focusing recruitment on underrepresented minority girls in high-needs schools and school districts. Since 2011, over 2100 girls have participated in Stellar Girls programming. School-level data show that 69% of girls are minority and 66% of participants are from low-income homes that qualify for free and reduced lunch at school.

#### **Sponsorship Opportunities:**

- Sponsor a School: provides funding for materials, start-up costs, equipment and training. \$3,000
- Program Sponsorship: \$15,000  
Supports the development of program resources for delivery on a digital platform to include: activity training videos, video career speakers, monthly contests, support and special content for teachers, integration of Art into STEM activities or "STEAM".

### STEMGirls Camp

In 2016, EDUCATE launched STEMgirls Summer Camp, a 5-day summer camp aimed at sparking an interest in STEM in girls grades 3-8. STEMgirls camps are held annually in Red Bud, IL and Waukegan, IL. Each camp offers fun hands-on activities, field trips and networking with local business and industry partners.

#### **Sponsorship Opportunities:**

Contact iBIO for more details on the sponsorship levels. Sponsorships include Display Table at Family day, Logo on camp shirts, signs, water bottles and giveaways

Supporting Sponsorship:	\$5,000
Leading Sponsorship:	\$10,000
Day Sponsorship (Limited Opportunities):	\$50,000

# ICON AWARDS DINNER

## 2019 iCON AWARDS DINNER

SEPTEMBER 26, 2019 • 6 PM - 9 PM • CHICAGO BOTANIC GARDEN

The iBIO iCON Awards recognize the vital roles that education, research and civic leadership play in fostering growth within the life sciences community.

Each year, the iBIO hosts the iCON Awards Dinner to celebrate breakthrough achievements of teachers, researchers, entrepreneurs and civic leaders whose hard work and dedication inspire us all.

Held at the beautiful Chicago Botanic Garden, the evening brings together some of Illinois' top life sciences professionals and innovators to help the iBIO realize its goal of creating a globally recognized life sciences center in Chicago and the surrounding Midwest region.

We promise a wonderful and memorable evening featuring a VIP reception, cocktail hour, networking, multiple dinner stations, award ceremony and raffle awards.

The iCON awards supports the mission of the iBIO Institute, a 501(c)3 Public Charity, which orchestrates business leadership in delivery of world-class educational after-school programs and summer STEM camps for girls grades 3-8 in underserved Illinois schools.
